# Corporate Sponsorship Opportunities

Riverside Crew is a fully self-funded team – we receive no financial support from LCPS as a tier 3 high school sport. The team is recognized as an official spring varsity sport for Riverside High School but must raise the funds required to purchase/maintain racing shells, oars, launches, regatta fees, etc.

We are grateful for the tremendous community support we have received over the past three years. The generous contributions from families and businesses have allowed us to grow each year, with more than 75 athletes participating in the 2022 spring season.

We are committed to working with our corporate sponsors to ensure maximum exposure and value. All contributions are tax deductible per IRS guidelines. Please contact [info@riversiderowing.org](mailto:info@riversiderowing.org) for additional information regarding sponsorship opportunities.
